Salaam alaykum

Today 29th June marks 64th death anniversary of our grandfather Marhum Mulla Abdulhusein M Valli.

A veteran of Zanzibar and who was one of the first Alim in Zanzibar.

Marhum Hasan Ali M.Jaffer in his presentation during Madressa retreat in Dubai wrote how he was amazed in 1941 in Zanzibar as he saw Marhum sitting on the first step of Mimber to interpret Syd.Husains ( the resident Alim ) Farsi Masail into Kutchi and the way he was arguing with the Alim who was on the top of the Mimber about the interpretation of a certain point .

The Alim later conceded that Mulla Abdulhusein was right.

Marhum was referred as BHRUL ULOOM & MUJTAHED by Allama Rashid Turabi.

He was famous for homeopathy and perfumes.

It was his ideas that to commemorate 1300th of Kerbala A HUSAINI KAFAN DAFAN COMMITTEE be established and which shud make kafan free for everyone irrespective of ones status.

For a whole year he donated the Kafan and then from the second year till around 1965/66 my Dadabapa Maalim Raza was donating.

Marhum because of his stand against Nuserism which was being propogated among Moominin was nicknamed after the enemy of Ahlulbayt a.s.
